the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1995. The public sector has also become an important employer of women, with 5.5 million women employed in the public sector in 1995, compared with 4.5 million in 1980.

There are a number of reasons why the public sector has become an important employer of women. One reason is that the public sector has a high proportion of women in its workforce. In 1995, 88% of the public sector workforce were women, compared with 78% in 1980. This is due to a number of factors, including the fact that the public sector has a high proportion of jobs that are traditionally held by women, such as teaching, nursing, and social work.

Another reason why the public sector has become an important employer of women is that it has a high proportion of jobs that are part-time or flexible. In 1995, 38% of the public sector workforce were employed on part-time or flexible contracts, compared with 28% in 1980. This is due to a number of factors, including the fact that the public sector has a high proportion of jobs that are traditionally held by women, such as teaching, nursing, and social work.

A third reason why the public sector has become an important employer of women is that it has a high proportion of jobs that are well paid. In 1995, the average salary of a public sector employee was £18,000, compared with £15,000 in 1980. This is due to a number of factors, including the fact that the public sector has a high proportion of jobs that are traditionally held by women, such as teaching, nursing, and social work.

FOREWORD

MAY this, our *Edisonian*, bring back memories of your classmates, friends, and faculty as well as the many incidents both great and small which have occurred during the past year.

As you sit in your comfortable chair and read the following pages, may the memories of the different school activities prove to be very dear and a treasure never-to-be forgotten. We hope the readers of our 1951 *Edisonian* will derive both benefit and pleasure from its pages.

DEDICATION

TO OUR PRINCIPAL, CLAUDE P. ROOS,
THE *EDISONIAN* STAFF RESPECTFULLY
DEDICATES THIS OUR YEARBOOK,
THE EDISONIAN.

How Edison Has Grown

How time passes on as the hands of the clock tick away the story! At the beginning of the school year, new clocks were discovered on the walls in various classrooms of our beloved Edison High School. The seniors watched the hands of those clocks move slowly past the minutes and hours toward the hour of after-school activities each day and finally the hour of graduation and the long awaited time of departure.

Turning back the hands of the clock, time has afforded a number of changes since the seniors were freshmen: first, the ever-changing student body each year with the seniors passing on and the in-coming freshmen; second, new faculty members replacing the former ones; third, new courses added occasionally to the curriculum and a new club or extra-curricular activity added to the program. As freshmen, the members of the Class of '51 had the privilege of watching Edison open its first football season; as juniors, of entering our building with a new addition of classrooms, an enlarged gymnasium, and a new portable for the band; and last as seniors, we see the new football field being completed for Edison to play on her own home field next year. Really, time has passed rapidly when one stays the hands of the clock long enough to realize the accomplishments, growth, and progress our school has made during the high school life of the Class of '51. However, time does not permit the mentioning of all of Edison's outstanding achievements.

Moving the hands of the clock to the present, the seniors wish to thank the student body and merchants of East Gary for being so kind and cooperative in helping them to finance this yearbook. Words cannot express our gratitude to Miss Hartley, who has done more than her share of hard work in sponsoring this yearbook and to make the 1951 *Edisonian* a success. Also, we wish to express our appreciation to Clifton McChesney, a former graduate of Edison High School, for his services for the art work on the division pages of our 1951 *Edisonian*. Last, but not least, we wish to thank our administration for making our school one to which every one is proud to go and our faculty members who have guided us through these happy years.

For four long years, but short, we have studied and played at Edison High; and, at last, we do not stay the hands of the clock any longer and are ready for them to tick away the future as we venture into the world. As we leave dear old Edison, may we pause to think "What kind of world are we to venture into?" With the Korean situation, many of our classmates will be called to defend our country as well as the freedom of other peoples in the near future. Edison is our school from which we are proud to graduate. Wherever we go, at home or abroad, may each and every senior prove himself in the future to do his part in making our nation a country of which every one will be proud!

Senior Class

On the morning of September 2, 1948, fifty-six timid freshmen entered Edison High School for the first time as pupils. During the first six weeks, the class chose Miss Newcomb and Mr. Sexton as sponsors to assist them throughout the year. Maurice Porlier was elected president; Rudie Metz, vice-president; Dorothy Muraco, secretary; and Lillian Zack, treasurer. Jerome Johnson and Patricia Vizena were representatives of the class on the Student Council. On November 8, the class held a "Hard Times Dance," the first event sponsored as a class activity. At last, exams came and the freshmen were ready for their second year of high school as sophomores.

As the month of September rolled around again, the members of the class were on the alert when they elected Mrs. Brown and Mr. Baliff for their sponsors. Robert Claussen was chosen president; Ralph Larson, vice-president; Marian Dreyovich, secretary; Maurice Porlier, treasurer. On November 12, the class gave a very interesting and educational convocation on "How to Care for the Feet." Keeping up the good spirits of the school, the sophomores held two dances during the year—one on October 16 and the other on May 20. Both dances were a great success and every one had a fine time. Many different activities were held throughout the year, and finally the sophomores were ready to enter one of their most exciting years of school as juniors.

Starting out their junior year right, the members of the class elected Betty Coulter as

president; Richard Majewski, vice-president; Dorothy Muraco, secretary; and Jerome Johnson, treasurer. Mrs. Crisman and Mr. Baliff were the class sponsors. This year the class was able to have a steering committee, which consisted of Ronald Hatfield, chairman; Julia Shakula, Winifred Jackson, Ida Melton, Ralph Larson, and Maurice Porlier as assistants. "Polishing Papa," the annual junior class play given on November 4, 1949, was one of the outstanding successes of the year. Finally, November 29, the long awaited day arrived; when the class rings came, the juniors were extraordinarily happy. A dance on November 16 after the Wirt basketball game and the raffling of two Easter hams on April 5 were some of the activities sponsored by the class. The annual Pre-Prom dance was held on May 12; and at last, the night of May 23 arrived for the Junior-Senior Prom. It was held at Marquette Park Pavilion with music furnished by Reynold Young and his orchestra. When the report cards were passed out on May 25, the juniors realized that they were seniors, with only one more year of school. All were determined to make that year the best.

The seniors started out the year by selecting Frank Jakich, president; Paul Leatherby, vice-president; Ida Melton, secretary; Anita McPhee, treasurer. The student council representatives were Winifred Jackson and Kenneth Webb. The four new sponsors were Mrs. Homco, Mrs. Etienne, Mr. Sanders, and Mr. Baliff. The steering committee chosen consisted of Richard Majewski, chairman; with

SENIOR CLASS (Continued)

Lillian Zack, Dorothy Muraco, Darlene Homolla, Bob Claussen, and Maurice Porlier as the other members.

Plans for a number of activities and projects were considered and carried out to finance the senior trip and other expenses of the senior year. A raffle of two turkeys, held during the Chesterton game on November 17, turned out to be very successful. The senior dance was held on September 23 and netted quite a profit to the class. Also, a bake sale after the Lowell game turned out to be a big success. Other projects to raise money were selling all occasion cards and sponsoring the individual pictures program.

On March 2, the seniors sponsored a Faculty vs. Senior Basketball Game. The final score, 47-43, was in the faculty's favor, but the real score was the large profit in the senior's treasury and an evening of fun and entertainment provided for a large crowd by the services of the men faculty members free of charge. The second dance was held on March 16.

April 20 marked another important event of the senior class. The senior class play, "The Campbells Are Coming," turned out to be a very successful and regular hillbilly performance. The next activity as a class during the month of April was the Bingo Party held for the purpose of raising money for the trip and afforded a nice profit on April 28.

The time for which the seniors had been

waiting anxiously finally arrived—the senior trip to New York City, May 13-18. Enroute to New York the first stop was at Pittsburgh, Pennsylvania, where they spent the night. Then they journeyed on to New York, where they saw such sights as the Statue of Liberty, Empire State Building, N. B. C. Television and Radio Broadcasting Station, and Radio City. The seniors enjoyed their stay at New York immensely and looked forward to their next stop which was Niagara Falls. There they enjoyed a moonlight cruise on the falls, which were very, very beautiful. The next morning, bright and early, the seniors journeyed homeward.

Ah! the last week for the seniors began with Rev. Koekneke speaking at the Baccalaureate Services in Edison Gymnasium on May 20, followed by the Junior-Senior Prom at Marquette Park Pavilion on May 22, and closed with Commencement in Edison Gymnasium on May 25. Student speakers were Frank Jakich, class president, and the four highest ranking members: James McBride, Betty Coulter, Winifred Jackson, and Jerome Johnson. Awards of merit were presented to: James McBride, valedictorian; Betty Coulter, salutatorian; Maurice Porlier and Dorothy Muraco, activities award; Ronald Hatfield, athletic award; Jerome Johnson and Winifred Jackson, American Legion award; Marian Dreyovich and Robert Burnham, Veterans of Foreign Wars; Robert Burnham, Teachers Union scholarship award.

and treasurer respectively. Representing the class legislation in the Student Council were Regina Jones and Robert O'Connor. The steering committee, whose duty is to make decisions and suggestions, consisted of Connie Rush, Richard Jones, Dolores Pomaranski, Rosemary Venturella, Beverly Leathurby, Ed-die Shudick, and Roland Moore.

The juniors spent some time in choosing their prom date, class rings, and play. The date of the junior class play was November 8; and the title was "Kay Beats the Band," which was a great success and was immensely enjoyed by everyone.

The next extra-curricular activity that the juniors sponsored was a dance, November 17, after the Chesterton game, which was the first home basketball game of the year. On this same night was a bake sale which made quite a profit.

JUNIOR CLASS

At the close of the Christmas convocation, exciting cheers of glee burst forth from the juniors when they learned of the arrival of their class rings, which were their insignia of upper classmen.

On March 16, the juniors sponsored a Skru-Ball Game, which was a new fad of playing basketball on crash cycles. The game started with the hard fighting junior boys battling the senior boys who were in the lead at the end of the third quarter 30-26; but the fourth quarter consisted of spills and thrills as sixteen junior girls made plenty of landings on the floor from the cycles. The evening ended with a huge success and the East Gary Fire Department

playing the Eagles Lodge in the second game.

Getting in line their quota of school dances, the juniors sponsored the annual Pre-Prom Dance in the gymnasium on May 11.

Finally the big event of the year arrived, the date was May 22, the place was the Marquette Park Pavilion, and the well-known title the Junior-Senior Prom. Bill Funkey and his orchestra furnished the music, the theme was "Roses," and the pavilion was decorated accordingly.

Now, at last, the juniors were very happy and proud to have reached the highest possible class-ranking in high school—seniors!

Officers

Charles Krupchak, president; Barbara Smith, vice-president; Bruce Swift, secretary; Gary Ganz, treasurer.

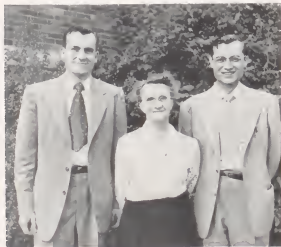

Sophomore Class

As the long summer vacation crept slowly by, the eager and anxious members of the Class of '53 could hardly wait until the first day of their sophomore year began. Finally, it came—

ah! yes—that long awaited day, September 5. Having one year of experience, the sophomores felt quite self-confident and ready to participate in more school activities.

Sponsors

Mr. Vorwald, Mrs. Brown, Mr. Snedeker.

Getting under way to a very quick start, the ambitious members of the class selected for their president, Charles Krupchak, who—much to their dismay—withdrew from school at the beginning of the second semester and left the position to be filled by Barbara Smith, having been elected as vice-president at the beginning of the year. Bruce Swift and Gary Ganz were chosen as secretary and treasurer respectively. To represent the class in the law enforcing body, the Student Council, Cynthia Morrison and Marty Faitak were chosen.

Next for consideration was the selecting of their dance dates. Of the two dances allotted them, they chose December 8 and March 30.

Top row—Dennis Anderson, Roy Claussen, George Moy, Ernest Schulze, Jack Sandlin, Thomas Szwaykowski, Robert Shoemaker, Ronald Park, Robert Vizena, Blaze Kozak, Donald Kuzma, Marty Faitak, Oral Peck.

Third row—William O'Kelly, Dale Hodges, Roger Bottila, Robert Lazzaroni, Paul Henry, Richard Vizena, Richard Williams, Carl Zubeck, Nicholas Kolosci, Nancy Quinlan, Cynthia Morrison, Joan Watts, Beverly Bottila, Donna Bogden.

Second row—Norma Smith, Yvonne Petruzelli, Marjorie Mize, Carol Watts, Lois Cotter, Mary Ann Tucker, Carolyn Salen, Florence Smith, Dolores Rearick, Patsy Munro, Mary Scheuer, Betty Scott.

Front row—Sherry Niehaus, Mary Ann Torrez, Geraldine Demo, Suzanne Anderson, Charlyne Van Cleef, Jean St. Meyers, Joan Mills, Ruth Burchardt, Lois Heck.

SOPHOMORE CLASS

Having originated a new dance called the "Lollipop Dance" that met with grand success during their freshman year, they followed suit again this year with the same type of dance—as this new attraction brought forth such a tremendous profit during their first year. The purpose of the dance was to collect extra funds by requiring everyone to have a lollipop in order to be admitted to the dance without having to pay a five-cent fine. Everyone who attended the dance came clad in jeans and had a grand time while dancing and enjoying lollipops.

The sophomores did quite well in the annual inter-class tournament this year. The girls came

in second by losing to the senior girls, and the sophomore boys won their consolation game.

On March 30, the second dance was called a "Hillbilly Hop." The distinguishing characteristics were long, sloppy shirts and braided pig tails tied with different colored ribbons. This was quite an unusual sight to see. The gym was decorated in a hillbilly fashion, and all attending the dance had a splendid time by changing from the sophisticated routine to the unsophisticated.

As the second year of high school came to a close, the sophomores were ready to advance to their third year—juniors.

Officers

Phyllis Sykes, secretary; Betty Jakich, treasurer; Daniel Jaroscak, president; Gloria Conde, vice-president.

Freshman Class

Yes, at last! they were freshmen. Every student can remember that first day of excitement—entering Edison High School for the first time. For a week or more the freshmen rushed about trying to find their books in their

lockers and classrooms, after which they fell into the regular swing of high school life.

Sponsors

Mrs. Hunter, Mr. Hinkle, Miss Hartley.

First, leaders were chosen to guide the class. For president, Daniel Jaroscak, a very peppy little lad, was selected; vice-president, Gloria Conde; secretary, Phyllis Sykes; and treasurer, Betty Ann Jakich. Verna Faitak and Richard Uhler were selected as Student Council representatives so they could voice their opinion in regard to school activities.

Each class was allowed two dances; but, since the upperclassmen were given first choice in dates, the freshmen sponsored a "Sadie Hawkins Dance" on January 27 as their first class night of fun and an aid to finance.

The second dance was given on April 27, which was the last activity for the Class of '54 to sponsor as a freshman class. Thus, their first year ended with many fine memories, and the freshmen looked forward to their second year as sophomores.

Top row—Ronald Kersey, Eddie Chambliss, Eddie Hummel, Fred Cochran, Jack Kenney, Mitchell Najar, Ray Taylor, Jan Rappatta, Raymond Bolka, Jack Hoyt, Joseph Feistling, Arnold Stegall, Steven Smith, Emanuele Venturella, Zackary Zack.

Quattuor Anni In Ludo

According to custom, the typical freshmen
Are only seen and very green—
That can't be said this year in school,
For to be heard was their Golden Rule.

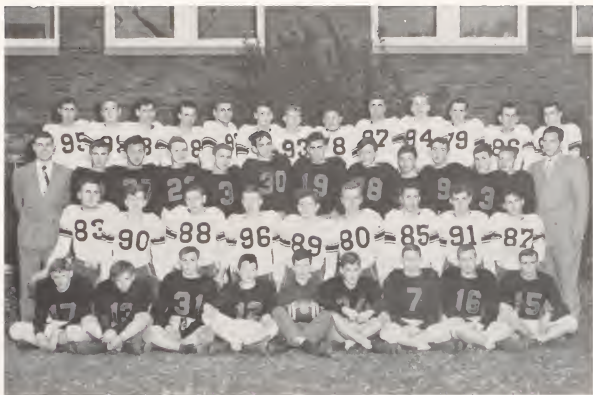

They're in the second year of four,
Their title is that of Sophomore;
Although their name means foolish and wise,
You'll have to admit they're really nice.

They've moved next to the highest in school
For further advancement according to rule.
Their knowledge increases with the hours
Full of activities as busy juniors.

That title of senior is very dear
The last and most important year.
Grace and dignity they say are mine
For work or college is next in line.

FOOTBALL

If Edison's football record continues to improve as it has the past four years, it will not be long before Edison will have a championship team. The record is better each year than the preceding year of the first four years of Edison's football history. Last year's five and five record was improved by this year's five wins and four losses.

This year, also, saw a change of head football coach and the addition of an assistant coach. Coach Chester E. Sanders replaced Coach Albert Thom as head coach, and James Alexander became the assistant coach. They are to be commended for the fine job they have done their first year in Edison.

East Gary placed one man on the first team of the All-Conference Team this year as Frank Arndt was chosen to fill the right end position. Also, Roland Moore made the second team backfield, and Randall Riley, Roland Gregory, and Bill Metz received honorable mention.

September 8—Knox: The first athletic contest of the season was won by the Eagles as they ground out a 7-0 victory over Knox. Both teams were held scoreless until the last quarter with the ball seesawing back and forth across the mid-field line. The only touchdown of the game came in the last quarter when Hatfield threw a short pass to Krupchak in the end zone. The extra point was made by Krupchak on a line plunge.

September 15—Hobart: One of the finest games of the season was played by the Eagles against their traditional rival, Hobart. East Gary played for the most part a hard, line-plunging game with short gains through the middle being the order of the day. Roland Moore made the only touchdown for the Eagles. The extra point was no good. Fine defensive play showed throughout the game with Edison letting up only a few times; however, each time Hobart was quick to take advantage and made two touchdowns and a 14-6 victory.

September 22 — Wirt: Edison had little trouble as she subdued Wirt 26-13. Touchdowns were made by Edison in all four quarters. Frank Arndt caught two long passes for touchdowns in the first half. He, also, caught

FOOTBALL (Continued)

a pass for one extra point. Roland Moore carried over for the other extra point. Last half touchdowns were made on long runs by Whitey Capron and Roland Moore. The point attempts failed. Wirt, also, pushed over two touchdowns in this half.

October 6—Portage: Edison received a very unpleasant surprise when Portage scored on the first play of the game after recovering Edison's fumble. From then on the game turned into a mad scramble to score touchdowns with Edison getting three and Portage two the first half. Touchdowns were made by Arndt, Moore, and Krupciak. No extra points were made by East Gary. Additional touchdowns were made in the last half by David Capron and Roland Moore. Frank Arndt kicked one extra point and Roland Moore ran the other. Portage also got one more touchdown against the second team leaving the final score 32-21.

October 13—Merrillville: This year for the first time, an Eagle football team beat the Pirates of Merrillville. The game was exceptionally well played by Edison, as the Eagles showed what they were capable of doing if properly aroused. The defensive play was better than at any previous time this year by holding Merrillville scoreless both halves. Both of Edison's touchdowns were made on the same type of play—a short screen pass to Roland Gregory who ran the rest of the way. One extra point was kicked by Frank Arndt, leaving the final score 13-0.

October 21—Edison: Evidently suffering a mental, as well as physical letdown, the Eagles fell prey to an aroused Edison of Gary team 22-6. The backfield seemed decidedly worse for the loss of Roland Moore, who was unable to play most of the game due to a sprained ankle. The line was hampered also, due to the loss of Bill Metz, who was unable to dress because of a bad ankle. Edison of Gary gained her points on three touchdowns and a safety when Frank Arndt stepped into the end zone while kicking a punt. East Gary's lone touchdown came in the last quarter when, after a long run by Paul Leathurby, Ronnie Hatfield carried over.

FOOTBALL (Continued)

October 28—Griffith: Undeniably, Griffith had a conference team, as the 41-7 score she handed Edison testifies. Griffith had 28 points before Moore finally passed to Kay Gregory for Edison's only touchdown. Griffith then added two more touchdowns to leave that final lopsided score of 41-7.

November 3—St. Mary's: Edison gave evidence of returning to form against St. Mary's of Michigan City, as she held them scoreless and scored 19 points. The defensive play was exceptionally good as St. Mary's was held time after time for no gain. Edison's touchdowns were all made on the ground with David Capron, Roland Moore, and Charles Krupchak doing most of the running and scoring a touchdown apiece, besides Frank Arndt kicked one extra point.

November 11—Fort Wayne Catholic Central: Edison picked for her last game a team which was ranked first in the state by some. As far as Edison is concerned, Catholic Central deserved the title. The final score of this mismatched game was 53-0, a score that reflects no dispersions on a team that gave its best even though it was hopelessly out-classed.

VARSITY

Due to the loss of seven lettermen from last year's Varsity squad, Coach Doyle Baliff was forced to build up almost an entirely new team this year. With just four lettermen to work with, this was a grim job indeed.

In the first game of the season against Chesterton, the team was under the added handicap of having just three days of practice between the end of the football season and the start of the basketball season. This was evident from the final score, 53-32. After a few night's practice before the second game, they showed a little improvement in trouncing a Calumet Township team 50-26. This game was not as decisive as the score indicates for it was the first team that Calumet had ever produced. In the third game while still playing on the home court, they showed what they were capable of doing in easily defeating Hobart 44-38. This was sweet revenge for the Eagles, for it was Hobart who spoiled their chances last year by defeating them in the final game of the Holiday Tournament and in the second game of the sectionals.

In their first away game of the season, the Eagles journeyed to Merrillville to play one of the games that typified Edison's play for the season. East Gary went into a short one-point lead at half-time, 27-26, and then allowed Merrillville to pull gradually away in the final quarters of the game for a 59-51 defeat. It seemed that Edison just couldn't pull together for two well-played halves in the same game this year.

A week later in their first Calumet Conference game, the Eagles managed a very shaky 43-42 win. This was another of Edison's one good half-a-game ball games. They led 26-17 at half-time and then Jet Dyer made a good close game of it by being outscored in the final two quarters.

This year, for the first time, the East Gary Invitational Tourney was held in Edison's gymnasium. We hope that it will become an annual tournament as important as the Holiday Tourney. In East Gary's first game, the Eagles were miserably defeated by Edison of Gary 59-39. This was one of those games when nothing went right. Offense and defense went out the window to leave a very poor showing for the Eagles. In the consolation game, however, the Eagles performed a little better by defeating Wirt 54-44, although they had to come from behind to do it. Edison of Gary went on to defeat Whiting and to win the tournament.

During the following week at the Crown Point Civic Center in the first game of the

VARSITY (Continued)

Holiday Tourney against Griffith, the Eagles found out that teams sometimes have to hit free throws to win a ball game. The Eagles outscored Griffith in field goals but made only nine free throws to Griffith's 25 to leave the final score 59-46 in favor of Griffith.

In the first game following the tourney, Edison lost a truly tough one to Wirt in an over-time game, 58-57. This seemed to set the pattern for Edison as the Eagles lost another one-point game to Edison of Gary the following week, 41-40. In both of these games the Eagles had been playing good ball; but just two points shy of good enough.

The conference game of the Eagles with Griffith again illustrated their lack of effectiveness through a full game. They amassed a half-time lead of 35-26 but could only manage 13 points in the last two quarters to lose 65-47. On the following night, with no rest, Edison just couldn't cope with Roosevelt's big team. They came off a very weak second, 64-36.

Just to show what a little rest can do and to illustrate further Edison's off and on tactics, the Eagles came through against Lowell 64-45 for an impressive twenty-point margin. To show the offside of their tactics, they lost to Hobart, whom they had previously defeated, 70-61. Against Merrillville they could manage again only a one good half of the game, and this game was particularly noticeable for its lack of defense. The Pirates seemed to score at will to wind up with 75 points against Edison's 55.

One of the high spots of the season was marked in a game against Portage when the Eagles came through with one of their finest games of the year to win 50-42 on Portage's home floor. Their elation was short lived, however, as they came home to lose another of those heart-breaking one-point games to Crown Point 56-55.

Two days later, the Eagles were on their way to Jeffersonville some three hundred miles away. This was the game most looked forward to by the team, as it involved a six hundred mile trip and an overnight stay in a hotel in Louisville, Kentucky. Everything about the trip was enjoyable except the final score which was 60-56 in favor of Jeffersonville. The Eagles closed out their regular season's play the next week with a 51-44 victory over Wheeler. This left the Eagles with a not too impressive seven wins and twelve losses record.

In their first game of the sectional tournament the Eagles drew their nemesis for the

VARSITY (Continued)

year, Merrillville. One outstanding aspect of this game was the last-minute defense devised by Coach Baliff—a 1-3-1 zone. This worked very well for the first half but just could not hold out after the loss of some regulars through fouls. Merrillville came from behind in the third quarter to go ahead and stay there. The final score was Merrillville 64 and East Gary 57.

Edison did not place any members on the first team of the All-Conference Team, although two players, Maurice Porlier and Bob Claussen, received honorable mention. Five seniors leave the Varsity this year, leaving six juniors for Coach Baliff to work with next year. The seniors are Maurice Porlier, Frank Arndt, James McBride, Bob Claussen, and Ronald Hatfield. Maurice Porlier and Frank Arndt were elected honorary co-captains.

B TEAM

Again this year, Edison completed the season with another fine B Team, which managed to improve last year's record of fifteen wins and three losses with a thirteen and two record this year.

The team, this year, had everything that a championship team demands. With Gene King, Dan Orlich, and Carl Thorne supplying the height for awhile, Denny Anderson, Roy Claussen, and Dave Capron provided the speed and floor game, and Bob O'Connor and Richard

Jones coming through with some fine field goal shooting, it was certainly a hard combination to beat.

The B Team this year would certainly have won the tournament if it had not been deprived of the services of Gene King and Carl Thorne, who were moved up to the varsity to supply reserve power in the tournament of the varsity.

Edison certainly has every right to expect a successful varsity season from these boys next year.

FRESHMAN TEAM

This year, for the first time in Edison's history, the Freshman Team had its own individual basketball coach separate from the Varsity and B Team. Mr. Alexander was the coach of the two freshman teams, while Mr. Baliff coached the Varsity and B Team.

Although the squad had a very unsuccessful season with winning only one ball game, the players showed that they have all the attributes of a winning team and gave evidence of a potential crop of excellent players in the future. They have all the requirements for a winning squad with sufficient practice and experience.

Eddie Houck and Andy Grusak, Edison's tall freshmen, gave every indication of turning into two very tough rebounders. Warren Ellis and Felix Ortiz displayed surprisingly good ball handling and floor technique for players of their age as guards. The boys need not be discouraged, as they have the making of a fine team in the future under sufficient coaching.

The Freshman B Team won two games and lost four games during the season.

Top row—Dale Hodges, Roger Bottila, Perry Pappas, Donald Kuzma, Carter Jackson, Roy Claussen, Robert Connors, Jack Terwilliger, Mr. Alexander.

TRACK

This year, one sport was emphasized each season instead of splitting the athletic program into two separate fields in the spring as of former years since the football program was inaugurated at Edison. As track affords the participation of a larger number of boys than baseball, Mr. Alexander, who was assistant football coach in the fall, became track coach.

Six new school records were set in the following: 100 yd. dash, 10.6 sec.—Whitey Capron; 220 yd. dash, 23.2 sec.—Whitey Capron; 440 yd. dash, 55 sec.—Jack Terwilliger; 880 yd. run, 2:12.2—Ed Shudick; mile run, 4:48—Denny Anderson; broad jump, 19' 8½"—Mo Porlier.

Although winning only the La Cross triangular meet outright, the team placed second in three quadrangular meets: Lowell, Crown Point, and Hebron. The team, also, won a trophy in the Edison of Gary relays for scoring the most points among the smaller schools. The team ranked sixth place in the Calumet Conference and entered the Sectional Track Meet for the first time.

STUDENT COUNCIL

The Student Council—the group that gets all the complaints and nagging except the teachers from the student body—under the guidance of the first girl president, Julia Shakula, and Mr. Vorwald, who was a very cooperative sponsor, completed many of its aims for the year in helping to better the conditions at Edison.

To follow the routine of previous Student Councils, the 1950-51 Council selected six convocations to be given next school year.

On October 21, 1950, the Student Council started a tradition of a Homecoming Dance to be given in the gym after the football game with Edison. An award was presented to the organization sponsoring the best display which was held on the front lawn the preceding day. The displays of the various organizations were used as decorations for the dance.

In January, 1951, a new system of going up

and down stairs was put into effect to help stop the confusion and crowded congestion between classes.

During the Easter season, the Student Council followed its tradition of decorating the second floor with beautiful flowers. Previously this year, the Council cooperated with the Sunshine Society in decorating the halls to add to the true spirit of Christmas.

The most important project of the Council was the purchasing of a juke box. To help make the noon hour more recreational and more uniform in use for the entire student body as a whole, the Council put into effect regulations concerning the use of the gym.

The election of the 1951-52 Student Council president closed a very successful year for the 1950-51 Student Council of Edison High School.

SUNSHINE SOCIETY

As the Sunshine Society has a definite purpose, the girls spread sunshine in everything they do and, also, help the needy and sick.

Friday, October 6, the Society held its annual initiation consisting of a formal candlelight ceremony, after which a potluck luncheon was served in the gymnasium.

October 14, the four officers and sponsor motored to Flora, Indiana, for the district convention.

As their annual Christmas project, the girls put up a lovely Christmas tree in the main hall, made candy to send to the patients in the Tuberculosis Sanatorium near Crown Point, and delivered parcels of food to needy families in East Gary.

The thrilling event of the year was the annual Sweetheart Dance at which Ida Melton was crowned Sweetheart Queen on February 23.

The S. S. S. sent its annual contribution to the Riley Fund, and for a new project it collected donations for the Heart Foundation.

Mrs. Etienne, accompanied by the officers and eight members, attended the state convention in New Haven.

Officers and Sponsor

Patricia Vizona, president; Anita McPhee, vice-president; Mrs. Etienne, sponsor; Mary Husarik, secretary; Nancy O'Rourke, treasurer.

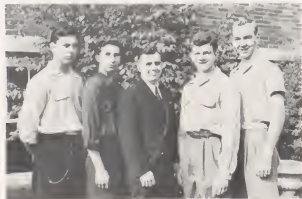

Top row—Roland Gregory, Bob Claussen, Ronald Hatfield, Roger Bottila, Roy Claussen, Dennis Anderson, Ronald Park, Bruce Swift, Donald Blagg, Marty Faitak, Oral Peck.

Third row—Robert Munro, Gary Ganz, Blaze Kozak, Nicholas Kolosci, Frank Pittman, Howard Shaver, David Capron, Robert Lazzaroui.

HI-Y

Leadership has changed quite rapidly as the Hi-Y had its third new sponsor in five years of its existence.

Officers and Sponsor

Richard Jones, vice-president; Kenneth Webb, president; Mr. Hinkle, sponsor; Jerome Johnson, secretary; James McBride, treasurer and chaplain.

October 2, the officers attended the district Hi-Y meeting at Crown Point. Songs were sung and Mr. Austin Walker, principal of Crown Point High School, gave a speech to open the meeting. The panel discussion was on the subject, "Your Life Mate."

As each organization was entitled to have a dance during the school year, November 4 was the date of the Hi-Y dance.

The Hi-Y banquet, which was postponed last year, was held on December 13 at Mrs. Johnson's. Jerome Johnson was master of ceremonies, and Mr. Brady, pastor of the First Christian Church, was the guest speaker—also Mr. Roos and Mr. Bailey.

The boys enjoyed going swimming at the K. of C. building in Gary on February 27.

To raise money for Hi-Y pins, a raffle for two Easter hams was held on March 9.

Thus, ended another year for the Hi-Y.

Top row—Nancy Quinlan, Mary Ann Tucker, Bonnie Rogers, Geraldine Demo, Beverly Bottila, Suzanne Anderson, Joan Watts, Jean St. Meyers, Georgia George, Cynthia Morrison, Marjorie Mize.

Third row—Alyce Forney, Regina Jones, Helen Baker, Bonnie Shaver, Greta Duncan, Dolores Pomaranski, Patricia Vizona, Ida Melton, Joy Blake, Darlene Homolla, Dorothy Muraco, Julia Shakula, Sherry Niehaus.

Second row—Shirley Emis, Pauline Ronk, Patsy Eberhardt, Betty Truett, Evelyn Grishka, Emily Pedroza, Imogene Owens, Lois Gledich, Barbara Prott, Marian Dreyovich, Dolores Rearick, Donna Bogden.

Front row—Dolores Molnar, Merle McDonald, Lois Haburjak, Carol Watts, Mary Ann Torrez, Joan Rizzo, Patricia Schlett, Anita Cardenas, Anna Grusak, Nancy O'Rourke, Charlyne Van Cleef.

HOME ECONOMICS CLUB

At the beginning of the year, the junior girls organized a new school club called the Home Economics Club under the sponsorship of the home economics teacher, Mrs. Homco. Only girls having one year of home economics could become members.

October 4 was the date of the initiation of members and the installation of officers, after which a buffet luncheon was served.

On October 20, a gold plaque was awarded to the club for the best display to be used at the Homecoming Dance for decoration.

Some of the money-raising projects were selling balloons at football games, serving hot lunches at noon, and the "Holiday Hangover Hop" on January 5 after the East Gary vs. Wirt basketball game.

During the second semester, Beverly Leathurby and Sylvia Van Cleef withdrew from office; thus, Bonnie Shaver and Bonnie Rogers were chosen as the new president and secretary

respectively, and with the other officers they guided the club for the remainder of the year.

Officers and Sponsor

Roberta Clemens, treasurer; Beverly Leathurby, president; Mrs. Homco, sponsor; Thelma Mitchell, vice-president; Anna May Clark, sergeant-at-arms; Sylvia Van Cleef, secretary.

Top row—Celia Ortiz, Joyce Semper, Evelyne Grishka, Emily Pedroza, Anna May Clark, Ida Melton, Joy Blake, Darlene Homolla, Dorothy Muraco, Julia Shakula, Mardi Lee Palmateer.

Second row—Patsy Eberhardt, Bonnie Shaver, Helen Baker, Greta Duncan, Lillian Zack, Anita McPhee, Lois Gledich, Marian Dreyovich, Barbara Prott, Pauline Ronk.

Front row—Imogene Owens, Sylvia Van Cleef, Georgia George, Carolyn Olzysniak, Rosemary Venturella, Freda Ferris, Nancy O'Rourke, Anita Cardenas.

EDISON COMMERCIAL CLUB

The first work of the club was the printing and selling of programs at football games.

Officers and Sponsor

Betty Coulter, president; Bonnie Rogers, secretary; Miss Hartley, sponsor; Patricia Vizen, vice-president; Betty Truett, treasurer.

Tours of three different types of businesses were taken during the year: the first tour being taken on December 6 to see the publishing of a newspaper at the *Gary Post Tribune* and to go through the various departments of the offices in the Hospital Building of Carnegie Steel Corporation; the second tour on April 26 afforded the members the privilege of seeing the operations of a bank at the Gary National Bank.

A number of demonstrations and lectures were given by Gary Business College, Comptometer Corporation, and The Indiana State Employment Bureau in Gary.

To aid in the training of the students in the commercial department and to help relieve the strain of the much needed equipment, the Club purchased another calculator, as it started the custom two years ago, of helping build up the department.

Top row—Cynthia Morrison, Mary Ann Tucker, Carolyn Salen, Anna May Clark, Dolores Pomaranski, Bonnie Rogers, Ida Melton, Clara Weber, Joan Watts, Ruth Buchardt, Dolores Rearick, Mary Ann Torrez.

Second row—Nancy Quinlan, Sherry Niehaus, Carol Watts, Patricia Vizena, Lillian Zack, Delores Molnar, Lois Gledich, Donna Bogden, Lois Heck, Patricia Munro.

Front row—Florence Smith, Barbara Smith, Georgia George, Julia Shakula, Carolyn Olzynyak, Rosemary Venturcella, Joan Rizzo, Darlene Homolla, Dorothy Muraco, Marian Dreyovich.

GIRLS ATHLETIC ASSOCIATION

The girls began basketball and bowling activities at the beginning of the year to give the new members a chance to earn points—later on, the girls enjoyed square dancing very much as it was something different.

The annual initiation was held in the gymnasium on February 28. The new members were required to climb up and down bleachers on their knees, count the boards in the gym, and push pencils with their noses across the floor. Afterwards the initiates entertained the old members with an amateur hour and proved themselves to be real stars—but to top them off was Miss Conchita Banana portrayed by Mardi Lee Palmateer, an old member of the club.

Edison was represented by five G. A. A. members and their sponsor, Mrs. Hunter, who participated in a "Sports Day" held at Valparaiso on April 14.

This year, the G. A. A. had a banquet, which was held at Jackson's on May 1 and was the final event of the year.

Officers and Sponsor

Jacqueline Salen, president; Betty Coulter, treasurer; Mrs. Hunter, sponsor; Winifred Jackson, vice-president; Mardi Lee Palmateer, secretary.

Top row—Richard Jones, James McBride, Eugene Nolan, Eric Scharf, Gene King, Edward Shudick, Roger Bottila, Donald Kuzma, Marty Faitak, Ronald Park, Robert O'Connor.

Second row—Dennis Anderson, Walter Kosinski, Carl Thorne, Frank Arndt, Randall Riley, Ronald Hatfield, Roland Moore, Dale Hodges, Edwin Fronczak.

Front row—Roy Claussen, Maurice Porlier, Bruce Swift, Daniel Orlich, Sidney Hoskins, David Capron, Richard Majewski.

E-MEN'S CLUB

The club being an honorary club in the field of athletics continued to have as its require-

ment of its members one major letter in one of the four fields of sports.

Officers and Sponsor

Mr. Sanders, sponsor; Robert Claussen, president; William Metz, vice-president; Paul Leathurby, secretary-treasurer; Mr. Baliff, sponsor.

On March 2, the E-Men held their annual school dance which was quite successful. The club had charge of the annual Inter-Class Tournament, which was won in the girls' division by the senior girls and in the boys' division by the junior boys—much to the consternation and chagrin of the senior boys.

On the seventh of May came the big event for the senior lettermen, as it was the date that the members of the Lions Club of East Gary sponsored their annual banquet at Teibel's Restaurant. This year, for the first time, the honor senior students were awarded the recognition they deserve and were invited to the banquet. The lettermen in athletics who had the privilege of attending the banquet were senior lettermen.

EAGLE FEATHERS

As the school year went rolling by, the staff and reporters rushed around gathering news for "Eagle Feathers," Edison's school paper, every two weeks. BAND

While most students enjoyed the summer vacation, the Band gave a series of concerts for the enjoyment of East Gary people at Riverside Park. Officers selected at the beginning of the year were: Jerome Johnson, president; Bernard Najar, vice-president; Connie Rush, secretary; Marian Dreyovich, treasurer; and Dorothy Muraco, librarian. Four new instruments were purchased with the funds raised on Tag Day held on October 1, and the financial assistance of the Band Boosters. The first date on the calendar for concerts during the school year was November 15. Next was the Christmas Concert given by the Band and Choir on December 20.

On February 17, 1951, an outstanding day long to be remembered, the Northern Indiana District Solo and Ensemble Contest was held in East Gary. Forty-two schools were represented by approximately 1,700 students. Ratings of Edison's participants were: Arnold Stegall, 1; Marian Dreyovich, 1; Betty Coulter, 1; Barbara Prott, 1; Connie Rush, 1; Brass Sextet, 1;

Marilyn Homolla, 2; Betty Jakich, 2; Marilyn Kersey, 2; James McBride, 2; Carter Jackson, 2; Dorothy Muraco, 2; Barbara Havrilesko, 2; Mixed Clarinet Quartette, 2; Clarinet Quartette, 2; Cornet Trio, 2; Susanna Armenth, 3; Phyllis Sykes, 3; and Richard Uhler, 3.

On March 17, Edison's first place district winners' ratings in the state contest at Indianapolis were: Barbara Prott, 1; Marian Dreyovich, 2; Betty Coulter, 2; Connie Rush, 2; Arnold Stegall, 2; Brass Sextet, 2.

As Edison's enrollment increased this year, the Band was entered in Class BB instead of Class C in the District Contest at Hammond on March 31, played more difficult music, competed against larger schools, and still received a good rate of second.

May 3, 4, and 5 were spent on the annual tour with the special feature of going through WLW Radio and Television Station in Cincinnati. May 10 was the final concert of the year.

CHORUSES

This year, Edison was favored with two vocal instructors, Mrs. Jana, who organized and taught the various vocal groups until the middle of February, after which Mrs. Keenan taught the remainder of the year.

December 20 marked the date of the Christmas Concert held in the high school gymnasium. The program was furnished by various vocal groups and the band.

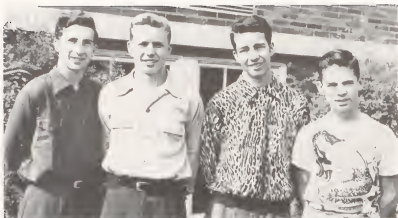

Much excitement and enthusiasm were witnessed as the chorus members prepared for the solo and ensemble district contest that was held in East Gary on February 17. The names and rankings of those who entered as vocal soloists were: Suzanna Armenth, 2; Pauline Ronk, 2; Dolores Pomaranski, 2; Ronald Hatfield, 1; Rosemary Venturella, 3; Gloria Conde, 2; Kathleen Szostek, 1; pianist—Rosemary Kovacic, 2. The ensembles and rankings were: Cherrilets, 1; Keynotes, 2; Boys' Quartet, 2; and Sophomore Ensemble, 3; Duet, 1. Those winning first in the district contest went on to the state contest and ranked as follows: Kathleen Szostek, 2; Ronald Hatfield, 3; and Cherrilets, 3.

Despite the fact of being entered in Class BB due to the increase in enrollment of Edison, the Mixed Choir rated first and had the privilege of going to the state contest. However, instead of going to the state contest, the members of the choir went to see "South Pacific" at the Shubert Theater in Chicago on May 9.

FAREWELL

As we reach the end of our high school journey, we look back triumphantly as we think of the years we have spent together at Edison.

Through the patience, endurance, and guidance of our dear teachers, we have learned the value of being good citizens in our school; now, we are qualified to step forth to protect the rich heritage we have gained from our forefathers.

Our school life has been made happy by associating with our many friends, participating in the many activities, and acquiring the much needed knowledge to travel our individual paths of life. The many things we've learned while attending Edison will influence our future lives.

As we leave the halls of Edison—the school we shall never forget—we wish to bid you a fond farewell.
